DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on March 23, 2009 has been entered. Claims 1, 5, 7-11, 13, 14, 17-21, 23-26, 28, 32-36, 38-41 and 43-47 are pending.

Response to Amendment

2. The rejection of claims 1, 4-11, 13, 14, 17-26, 28, 32-41 and 43-47 under 35 U.S.C. § 103(a) has been withdrawn in view of Applicant's amendment.

Response to Arguments

3. Applicant's arguments have been fully considered and are persuasive. The rejection of the claims has been withdrawn as noted above.

Allowable Subject Matter

4. Claims 1, 5, 7-11, 13, 14, 17-21, 23-26, 28, 32-36, 38-41 and 43-47 are allowed.

5. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or reasonably suggest, in the arrangements recited in independent claims 1, 17 and 32, a data style definition configured to define a visual representation of a data item on a user interface, wherein the data item is represented on a display as a visual subtree of an associated user interface element, a binding definition or binding

association that facilitates one-time binding, wherein a user interface property is initialized from a data item property and does not update when changes are made to the data item property after the initialization, and a transform definition configured to generate a transformed value of the data item property for association with an element property of the user interface element, wherein the transform definition is separate and distinct from the data style definition and is applied to the data item prior to the data style definition, such as reflected in Applicant's arguments (see Applicant's remarks, pages 27-30).

6. Any comments that Applicant considers necessary must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael J. Yigdall whose telephone number is 571-272-3707. The examiner can normally be reached on Monday to Friday from 8:00 AM to 4:30 PM.
